

Hour Sale Specials will not be sold to children or dealers. Mail orders cannot be filled.

These Hour Sale Values Are Surprising

Not only to the host of buyers who respond to the announcements, but to dealers as well. When it comes to offering standard and high-grade merchandise at half and third of cost—it's little wonder that there's astonishment on all sides. Not the usual method of the usual merchants. We're unusual. That explains it.
